

Michael Carrington

PROPERTY MANAGEMENT

Michael Carrington's evolved from a management company set up over 30 years ago, and we continue to provide those services to honour the past and build for the future.

Michael Carrington's is independently based in central London and provides each client with a unique, bespoke boutique experience.

We put the clients at the heart of everything we do, seeking to add value and enhance the buildings we manage.

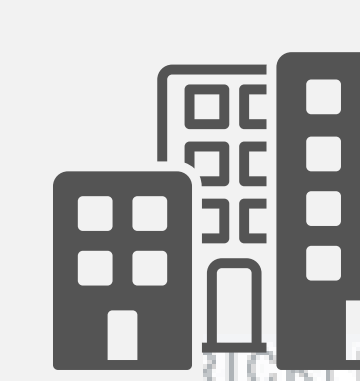

We manage some of the most exclusive properties in Central and South West London and fully understand the needs of this market.

Why Choose Michael Carrington's?

- We're in this for the long run - we aim to build long-term relationships with our Clients.
- We have a wealth of property management experience and understand the key management requirements.
- We are passionate about our work and will work hard for you to solve property-related issues.
- We have in-house support services to assist in managing your property and to reduce your service charge costs. These are:
